

SEMINAR AND CONFERENCES:

1. International Conference on Advanced and Agile Manufacturing Systems-2015 organised by Department of Mechanical Engineering during December 28-29, 2015.
2. International Conference on Emerging Trends in Electrical, Electronics & Sustainable Energy Systems (ICETEESES-16), Organised by Department of Electrical Engineering during March 11-12, 2016.
3. 2nd National Power and Energy System Conference (NPESC-2015) Organized by Department of Electrical Engineering during April 10-11, 2015.
4. National Power and Energy System Conference (NPESC-2015) Organized by Department of Electrical Engineering during April 15-16, 2014.

RESEARCH AND DEVELOPMENT:

S. N.	Name of the faculty members	Project/Thesis Title	Name & Reg. No of students
1	Dr. A K Chauhan	Design and fabrication of solar green house food dryer	Ayushi Singh, 1410504
2	Dr. A K Chauhan	Experimental and theoretical analysis of green roof	Raunak Katir, 1410512
3	Prof. S P Kutar	Performance Improvement of a cold storage plant using phase change material (PCM) : An Experimental investigation	Sakshi Gupta, 1410515
4	Prof. S P Kutar	Experimental study of fluid flow and heat transfer microspores membrane	Digvijay Shukla, 1410505
5	Mr. Anil Kumar	Theoretical and experimental investigation of dsouble slope solar still with single basin	Mr. Raj Vardhan Prasad Patel, 1410510
6	Mr. Saurabh Mani Tripathi	Loss Minimization in VSI-fed PMSM Drive	Chandan data, 1410302
7	Mr. Saurabh Mani Tripathi	Harmonics and Non-linear Load Compensation using STATCOM	Prakash Ji Barnawal, 1410309
